To the Diocese of Trenton Traditional Latin Mass Community:

Throughout the centuries, the patrimony of all of the Sacred Vestments consecrated for use in the Holy Sacrifice of the Mass has been a special privilege of the faithful. Our growing Community has been blessed over this incredible first year to be able to obtain five Solemn High Mass sets of beautiful vestments for the Traditional Latin Mass. As all of these sets have recently been completed, we are able to offer their patrimony. *This is a very rare opportunity*, as most Traditional Latin Mass communities obtain vestments through individual piece patrimony offerings over a very long period of time.

For us, each of our Sacred Vestments has been newly crafted especially for our initiative here in the Diocese of Trenton, and every piece is available for the faithful to memorialize. Please note that only one patronage is possible per vestment. An embroidered label with the memorial name and patron will be carefully sewn into each of the Sacred Vestments. These labels will remain affixed to the vestments for posterity. Know that your patrimony will be prayerfully acknowledged by every priest who wears the vestment, for decades (if not centuries) to come.

I am grateful for your continued support of the Celebration of the Extraordinary Form, and I am excited to be able to offer this very unique opportunity to all of our Traditional Latin Mass families!

Magno Cum Gaudio,

The Rev. Brian Patrick Woodrow
